

PAMUKKALE (2 DAYS)

FROM ANTALYA / KEMER / BELEK / SIDE AREAS

Early in the morning, departure from hotel for Pamukkale "Hierapolis" Travertine Terraces, travelling via Denizli.

Lunch will be taken en route in a restaurant at "Salda Lake", the deepest natural lake in Turkey, which is 1,200 m above sea level, and where you can enjoy the fresh sea air.
Arrival at Pamukkale.

Even if nothing but the foundations of one of the Wonders of the World can now be seen: the natural wonder of the calcified waterfalls of Pamukkale "Cotton Castle" compensates for this. Thermal spring waters, laden with calcium carbonate running off the plateau's edge, have formed this sparkling white petrified cascade of basins ringed by stalagmites. The thermal waters have been used since Roman times for their therapeutic powers.

You will also have the opportunity of swimming in the thermal waters (temperature 35 C) at your hotel.

Dinner and overnight stay in Pamukkale (4 star hotel).

After breakfast at your hotel, a morning visit will be made to the antique part of Pamukkale "Hierapolis" with its remarkable Roman Theatre and the impressive largest antique graveyard of Asia Minor.

Drive to Tavas, where you will have the opportunity of visiting a carpet factory and learn the techniques of traditional carpet weaving.

Return journey to Antalya and hotel.
